All - please note the information below; also, including RSO Milan to the distribution list since we have a departure from his AOR.

Ex. 6 - Personal Privacy - we'll need your guidance on an appropriate departure time from Bologna in order to make the 15:25 flight as indicated in line item #10. Ex. 7(e)

Dear Embassy Colleagues,

Thank you for the flexibility and professionalism you have all displayed with our recent changes. I have attached the hotel manifests and revised schedule for your information. There have been some additional changes since our phone call which I would like to highlight below.

1. Advance Team ([REDACTED] Ex. 7(c) Hupp, Kasman, Smith) will all arrive on United #42 at 8:10am on Monday, June 5th.
2. As Chmielewski will be advancing White House event with Administrator on June 7, he will now arrive with the Administrator on June 8th.
3. Jane Nishida will arrive one day early on United #42 on June 7th. No program is expected for her that day as we will be in Bologna. She has timed her arrival to make sure she precedes the Administrator. Please change her Queen Limo pick-up to this new date. If it would be helpful to Embassy to have Jane meet with ENEA and/or COREPLA to mend fences, she is happy to do so on this day. She would also be willing to do a Retake Roma event if that would help Embassy with relations. Otherwise, Jane will telecommute (executive time) and be available to the Embassy as needed.
4. Administrator and rest of delegation will get a bite to eat before the Country Team Briefing so we will arrive at Embassy for Country Team Briefing.
5. Administrator has decided to do Roundtable with Business Leaders over the Sustainable Packaging Event. I know this is a blow for the Embassy team. Please let me know if there is anything Jane or I can do to help with damage control.
6. Administrator welcomes meeting with Bishop Sorondo and understands if tour of Sistene Chapel Air Filtration System has to fall off schedule.
7. In Bologna, we hope to schedule bilateral meetings with Germany, EU, and France in the 5:15pm - 6:40pm timeframe on Saturday.
8. There is a 50/50 chance that the White House meeting involving the Administrator on Monday, June 12th will be cancelled. So, we are planning as if the Administrator can stay through most of the G-7, with Plan B having him come home on Sunday, June 11th if necessary. It is easier to cancel rooms, etc. than to add them on later.
9. We will need to advance all the Bologna events as if the Administrator is staying the entire time, so we will need to add the banquet hall back into the Advance schedule.
10. The Administrator will depart Bologna by car at noon to Milan. He plans to catch Delta #1045 (operated by Alitalia) at 3:25pm from Milan to JFK. He will be accompanied by security ([REDACTED] Ex. 7(c)). In the best case scenario, he will depart on Monday, June 12th. If he has to be back early, he will depart the same way on Sunday, June 11th.
11. Everyone else on the delegation will depart Italy directly from Bologna. Nobody else will go through Milan.
12. Hupp and Chmielewski expect to depart Bologna the day following the Administrator.
13. Kasman and Greenwalt expect to depart Bologna the same day as the Administrator.
14. Nobody on the delegation will return through Rome, so we can cancel the hotel reservations that we had there on June 12th.
15. The rest of the delegation (Nishida, Dravis, Gunasekara, Ferguson, Finman) will stay through the G-7 and depart Bologna on June 13th.
16. Kevin and Millan will send you the rest of the signed hotel forms you appear to be missing for the hotels in Bologna.

This is the best information that I have at close of business on Wednesday. We expect to confirm flight information with you tomorrow. Let me know if we can clarify anything else.

Thanks, Mark
